

LT ATUL KATARYA MEMORIAL SCHOOL
ENGLISH ASSIGNMENT
SUBJECT – ENGLISH LANGUAGE
CLASS – VIII

Note that **unless** means **if not** and hence it would be wrong to use another **not** in clauses with **unless**. Study the following examples.

If- and **unless-clauses** are used to talk about a condition – something which must happen first so that something else can happen. In **if** and **unless-clauses** we use a present tense to refer to the future.

Q.1) Do as directed
